2. Call from Braclay Shaw, Special Asst. to Asst. Sec. of War for Air (Mr. Symington), exploring possibility that CIG take over functions of foreign intelligence as G-2 is closing out this branch. Discussed project with Col. Dabney, Montague and VanSlyck and will turn same over to ICAPS for action. CIG to assume responsibility.

3. Mr. Werner, Dept. of Justice, informed me that War and Navy Depts. have submitted versions of the espionage laws to Dept. of Justice, Office of Spec. Asst. to Atty. Gen. (McGranery). The latter, with additional views of F.B.I., formulated a revision, not entirely in accord with War and Navy. Dept. Justice, Criminal Division, differs from views of Spec. Asst. Therefore, Dept. Justice is not prepared to make its views available until they have reached agreement within the Dept.
